## President's Message

*It is with immense pride and joy that I address you all through this newsletter. I am delighted to share the remarkable achievements and milestones that our engineering college has reached over the past years.*

*First and foremost, I want to congratulate our students for their outstanding academic performance. Your dedication and hard work have not gone unnoticed, and your achievements in examinations and competitions have brought great honor to our institution.*

*I am equally proud of our staff members, whose relentless efforts have propelled our college to new heights. Your commitment to excellence in teaching, research, and innovation has been exemplary, and your contributions to the field of engineering are commendable.*

*As we celebrate these achievements, let us remember that they are the result of collective efforts. Together, we have created an environment that nurtures growth, fosters innovation, and promotes excellence. I encourage you all to continue pushing boundaries, embracing challenges, and striving for further excellence.*

*Once again, I extend my heartfelt congratulations to all the achievers and express my gratitude to every member of our college community for their invaluable contributions. Let us continue to work together towards building a brighter future for engineering education.*

**Dr. T. A. Chavan**  
Principal

## Principal's Message

*It's a pleasure to welcome everyone to this edition of "Siddhi-Newsletter"-2023. This newsletter summarizes the activities from July to September 2023.*

*I am thrilled to share some remarkable achievements that have made us immensely proud at our engineering college. It is with great pleasure that we recognize the outstanding accomplishments of our students, faculty, and staff, as they continue to excel in their respective fields. These achievements not only highlight the exceptional talent within our institution but also serve as a testament to our commitment to fostering excellence and innovation.*

*We have achieved milestone in placing 80% of our first going batch students in various renowned and prestigious multinational companies like IBM, TCS, Capgemini, CGI, Deloitte, LHP, Sankey Solutions, Gestamp, Maruti infra etc.*

*We have a dedicated team of faculty, striving hard to provide the students with the latest knowledge and skills that would help them to stand out in this huge competitive world. So, I request the students to utilize these entire avenues to its maximum. It is my great privilege to be with you in all your endeavors.*

Thank you very much

## ● VISION

*Empower women through technical education by inculcating ethical and moral values with leadership qualities to face social and technical challenges.*

सामाजिक आणि तांत्रिक आव्हानांचा सामना करण्यासाठी नेतृत्वगुणांसह नैतिकता आणि नैतिक मूल्ये विकसित करून तंत्र शिक्षणाद्वारे महिलांना सक्षम बनवणे.

## ● MISSION

1. To create an environment for academic excellence by student centric education with innovative teaching & learning skills.
2. To imbibe problem solving attitude in women for changing needs of society.
3. To develop quality research and entrepreneurial attitude in the minds of women.
4. To inculcate ethical and moral values in women leaders to develop a new and value-based society.

## ● QUALITY POLICY

1. Student centric innovative teaching learning process.
2. Promotion of applied research.
3. Industry and academic interaction.
4. Placing faith in ethics and human values.
5. Continual improvements in all aspects.

## ● INDUCTION PROGRAM

**7-08-2023:** Dr. A. S. Patil HoD of GSE, Prof. S. M. Gungewale HoD of CSE, Prof. V. V. Shirshyad HoD of AI&DS, Prof. S. C. Mhamane HoD of E & Tc, Prof. S. B. Jamage HoD of Elect gave brief introduction regarding respective department, introduction of faculty members, faculty and student achievements, various department activities, information and importance about placements, research work etc.

**8-08-2023:** Session on Self-Introduction-UHV was held. Self-Introduction is an essential part to have clear communication. Self-introduction for students means introducing and describing themselves in a justified manner. The students were told to introduce themselves in the session. Many students were enough confident to introduce themselves. This session was conducted by Prof. A. S. Nimbane and coordinated by Prof. R. N. Dhanwade.

**9.8.2023:** Gratitude day -UHV was held. Gratitude offers us a way of embracing all that makes our lives what they are. The session was conducted with perspective to develop the feeling of gratitude amongst students. Students were suggested to create their own gratitude jar and fill it with sentence strips describing what they are grateful for. This session was conducted by Prof. A. S. Nimbane and coordinated by Prof. R. N. Dhanwade.

**10-8-2023:** Two sessions were conducted, first was on "Natural Acceptance & Career Katta", second was on Art of living. The natural acceptance is way to accept the good things naturally, learn everything that is good from others but bring it in and in our own way absorb it, do not become others and now students are able to see that verification on the basic of natural acceptance and experiential validation through living is the only way to verify right or wrong. This session was conducted by Prof. E. R. Chandane and coordinated by Prof. V. S. Swanne.

The Art of Living session was conducted by Mr. Suhas Mhanta & Mr. Narendra Annam. The Art of living program helps student in holistic development which further enhances their mental, emotional and physical well being.

**11-08-2023:** "Open up with seniors" session conducted by senior students. Transition from school to university/college life is one of the most challenging events in a students' life. When new students enter an institution, they come with diverse thoughts, backgrounds and preparations. So accordingly the programme of "Open up with seniors" is conducted. Shraddha Kapse, Vaishnavi Mali, Pravalika Manchikatl, Pranjal Solanke, Kshitija Chakote, Laxmi Kolpayk, Alisha Tamboli, Gayatri Lagshetti, Ishrat Tamboli, Nandini Savant, Akanksha Waghmare express their experiences, and also explained how one can prepare for academics and placements. The first year students asked their questions to them and senior students answered all those questions. Prof. S. B. Jamage acted as a chief guest for this session. The programme was coordinated by Prof. A. S. Nimbane.

12.8.2023: A guest lecture on Anti-Ragging was scheduled. The lecture was delivered by Dr. VC Achaknalli, a renowned expert in the field. Dr. Achaknalli shed light on the importance of eradicating ragging from educational institutions and the measures that can be taken to create a safe and inclusive environment for all students. She emphasized the need for a zero-tolerance policy towards ragging and provided insights into the legal aspects associated with it. Various competitions were conducted as poster competition, Logo & slogan writing competition on theme of "Anti-Ragging/ "Ragging free Campus" There was 29 participants for Poster Competition and 11 participants for Slogan writing competition. The programme was coordinated by Prof. V.S Swanne.

14-8-2023: Introduction to Vedic Maths session was held. Mrs Jyoti Bhadre and Mrs Suresh Bhadre of Rutuja Academy, Solapur conducted this session. They taught various techniques to solve the mathematical problems within seconds without using calculator. Students solved many numerical problems with active participation. Prof. Santosh Madki coordinated the session. Prof. Suvarna Bhargande did the anchoring and Ms. Riddhi Shete (SE-CSE-A Div.) proposed vote of thanks.

16-08-2023: Session on "Government Scholarship" by Prof. A.O. Nimbargikar was held from 3 pm to 4 pm. Different scholarship schemes were discussed by the speaker. She explained the government as well as non governmental scholarship schemes with the required documents. Also she explained the CSR funding which is provided by different companies. Then she told about different AICTE Scholarships which can be beneficial for non cap meritorious students. Second session was on "Entrepreneurship" conducted by Prof. A. A. Aleem from 4.00pm-5.00 pm. She explained many of the young men and women entrepreneurs and their journey towards the highest and richest place in to the field of Entrepreneurship. The programme was coordinated by Prof. A.S. Nimbane. Ms. Riddhi Shete anchored and proposed the vote of thanks.

17-08-2023: Session on "Diet is Medicine" by Dr. Sonali Ghongade was held. She explained the importance of Diet in Humans life. Also speaker explained wrong combination and proper combination of food. Next she explained the proper method of fasting. Lastly she gave information about external therapies. The programme was coordinated by Prof. P.M Ambulage

18-08-2023: Session on "Know how do you spend your time" by Prof. S J Madki was held. He explained the importance of time management along with prioritization of work. He conducted one activity of writing an hourly report of a whole day that is spent by students and asked them to identify where the time is being wasted and how that can be utilized for constructive or useful work. The programme was coordinated by Prof. S.V Palmur.

19-08-2023: Session on "Spot performance" was held. Total 26 students actively participated in various activities. Students performed on mimicry, dance, singing, speeches, stand up comedy. All students enjoyed a lot. Winners for singing were Ms Shreya Ransubhe stood first rank and Ms. Kaveri Kalburgi stood second rank. For dance Ms Sayali Umate stood first rank, Miss Divya Miskin stood second rank. The session was coordinated by Prof. S.V Palmur.

21-08-2023: An Expert lecture on "Road map to success in life " by Prof. I I Mujawar was held. The session was conducted with perspective to develop the feeling of success amongst students. With dedication, hard work and the right mindset, you can succeed in college and reach your goals. The session was coordinated by Prof. R N Dhanwade. On same day second session was on "Anapana Meditation (Vipassana) " for Div A and C students at 3.00pm to 5.00pm by Prof. Keshav Shinde. He explained Anapana provides a tool to deal with the fears, anxieties and pressures across all age groups. The session was coordinated by Prof. C. M. Shetasandi.

22-08-2023: First session on "Anapana Meditation (Vipassana) " for Div B, D & E students by Prof. Keshav Shinde was held. The session was coordinated by Prof. C. M. Shetasandi. Second session was on Nexus 2023: Principal's Address by Dr. T. A. Chavan. Newly admitted students were Welcomed by giving roses by some senior students. Principal sir delivered information regarding rules of institution, University and internal exam, ETLP, Anti-ragging, Placements, importance of other activities, discipline. The session was coordinated by Dr. A. S. Patil.

23-08-2023: Session on "Motivational Talk on Stress Management" by Dr. Nitin Bhoge who is HoD, Department of Psychology, Dr. V M Medical College Solapur was held. He explained how to manage the stress, mental health during the study. Share your problems at home or with friends and clear your mind. Balance career and relationships in life. The session was coordinated by Prof. S K Bhargande.

24-08-2023 and 25-08-2023: Session on "Ice breaker & Time management" by Dr. R R Yelikar was held. Yelikar sir explained the importance of time management and asked students to make a diary for time management. In next session he explained the importance of group making and students played various games and realized importance of team work. The session was coordinated by Prof. P M Ambulage. Industry visit to "Water treatment plant , Bhavani Peth, Near Rupa Bhawani Temple, Solapur" was organized. This industry visit was coordinated by Prof C M Shetasandi

26-08-2023: Session on "Study Methodology(ETLP)" by Prof. C B Nadgouda was held. This session offers us a way of study that makes us perfect. It involves studying methods used in your field and the theories or principles behind them, in order to develop an approach that matches your objectives. The session was conducted with the goal of instilling a sense of success in the students. This session was coordinated by Prof. R S Dhanwade.

## ● Expert Lectures

Expert Lecture- Recent Trends in Robotics by Mr. Shantanu Sangam

07-09-2023 - An expert lecture on "Recent Trends in Robotics" by Mr. Shantanu Sangam, Trainee Engineer, Aalto University, Finland and TU Vienna, Austria. was organized for S.Y and B.E students of Electronics and Telecommunication Engg Dept and Electrical Engg Dept for making students to understand the importance of Recent trends in robotics field.. Prof. A.K. Gadgoli, E&TCE Dept Coordinated for the arrangement of this expert lecture.

## ● Departmental Events

### Electronics and Telecommunication Engineering Department

Inauguration ceremony of Student Associations ETESA

15-09-2023:-The inauguration of the student association of ETESA was a momentous occasion that brought together students from various disciplines. The event started with an inspiring speech by students. Students association members were felicitated by Head of the department Prof S.C.Mhamane and event coordinator Prof. P.K.Biradar. The association's goals and objectives were outlined, and students expressed their enthusiasm to actively participate in various initiatives. The inauguration was a successful event that laid the foundation for a thriving student community.

## Computer Science and Engineering Department

Teachers Day and Engineer's Day Celebration

5-9-2023 & 15-9-2023: The program started with the dean, the Event Incharge, Student President and the Head of the Department by cutting the ribbon and lightning the lamp and photo pooja. Every Staff member was felicitated with a gift of a photo frame as a symbol of love and respect towards them by the students. Also games were conducted for the Staff members to entertain them. The students also gave speeches and performed dances and sung songs for the Teachers. On the behalf of Engineers Day Technical Event "WARTECH 2K23" was organized under which technical events were taken.

## Artificial Intelligence and Data Science Engineering Department

Inauguration ceremony of Student Associations (AISA and ITSA)

25-09-2023:-The inauguration of the student association of CSE(AI&DS) was a momentous occasion that brought together students from various disciplines. The event started with an inspiring speech by the Principal Dr. T.A. Chavan. Students association members felicitated by the Principal Dr. T.A. Chavan and Head of the department Prof V.V.Shirashyad and event coordinator Prof. A.K.Salunke. The association's goals and objectives were outlined, and students expressed their enthusiasm to actively participate in various initiatives. The inauguration was a successful event that laid the foundation for a thriving student community.

## Electrical Engineering Department

23-09-2023: Electrical Department Alumni, Ms. Kamina Chavan working at LHP took a session on "Placement Talk". She shared her experience at LHP and also guided the students about how to work in industry. Felicitation was done by the HoD Prof. S. B Jamge and vote of thanks by Prof. D. S. Waghmode.

### Celebrations

#### Independence Day

15-08-2023:The 77th independence day was celebrated with great enthusiasm at SSWCOE, Solapur. The National flag was hosted by our chief guest Mr. Baburao Belbhandare, Retired Major, Indian Army. On the occasion of independence day our chief guest share his life journey as Major in Indian Army. Dr. T A Chavan, principal talked about the importance of practice in our life. Miss Sneha Gaikwad, SY Electrical Student sang patriotic song. Prof. S K Bhargande, Cultural coordinator did the anchoring of the event. All the teaching and non teaching staff were present on this occasion.

#### Teacher's Day

05-09-2023: Teacher's Day, recognized globally as a day to celebrate the invaluable contribution of educators was celebrated at SSWCOE, Solapur. Dr. Umakant Chanashetti, Principal Jawahar Mahavidyalaya, Andur was chief guest for this event. All the FY students gifted small plants to all the teachers as token of love and respect. Miss Kshitija Chakote TY CSE student did the anchoring of the program and Miss Lakshami Kolpak TY CSE student express vote of thanks. Prof. S K Bhargande, cultural coordinator took lots of efforts for successful conduction of program.

#### 19-09-2023: Ganesh Chaturthi

## 02-10-2023: Gandhi Jayanti

### ● IIC Activities

#### "Organizing Innovation and Entrepreneurship Outreach Program in school/community"

19-08-2023: "A Visit and Innovation Outreach Program" for 10th Standard school students with 4 teachers from Siddheshwar Kanya Prashala, Solapur was organized in college. They got the information about Various Lab's Present in each department of the College. Also, Configuration and working of Computers and other technical equipment present in labs explained by respective lab incharge of each department. There was mini exhibition for school students. They were very excited to observe and curious about information regarding projects.

#### "Accelerators/Incubation-Opportunities for students and faculties-Early stage Entrepreneurs"

24-08-2023: Seminar on "Accelerators/incubation Opportunities for Students and Faculties-Early stage Entrepreneurs" was held to promote the vision of entrepreneurship among youth. Er. Shekhar A. Jeurkar, Chartered Engineer, Saj Consultancy Services, Solapur conducted this seminar. B.Tech Students and all faculty members attended the session.

#### "Session on Angel Investment/VC funding Opportunities for early stage entrepreneurs"

30-08-2023: "Session on Angel Investment/VC funding Opportunities for early stage entrepreneurs" was conducted by Dr. R. R. Yelikar, Trustee and BoG member of our college. This session was conducted for B. Tech. (All branches) students to promote vision of entrepreneurship among youth Under Institution Innovation Council Activity.

#### "Udyojakta Vikas Yatra"

31-08-2023: IIC of our College had conducted a Program with Solapur University, Solapur and Udyojakta Abhiyan on "Udyojakta Vikas Yatra" for our students. Om Ingale (District Coordinator), Shrinivas Patil (Manager Incubation Services Uddym PAHSUS), Channaveer Bankur (Senate Member PAH Solapur University, Solapur), Suhas Ullgade (Manager Pratik Industries, Solapur) attended the event.

### ● NSS Activities

#### Mera Mati Mera Desh

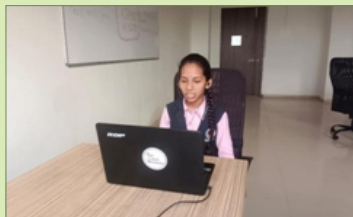

"Mera Mati Mera Desh" is more than just a campaign; it fosters community among the populace and captures a sense of pride in all the pillars of our country. As a part of this initiative students and faculty members were encouraged to take a solemn pledge covering the "Panch Pran" demonstrating the commitment to the nation. NSS volunteers, students and Faculty members collected "Mitti" (soil) and placed into the AMRUT KALASH which was kept in the porch of the college. It has cultural and traditional significance which can help in preserving and celebrating the heritage. They took selfies and experienced the love for mitti.

## ● TPO Activities

### On Campus Placement Drive by Kiran Academy, Pune.

27-09-2023: An on campus placement drive by The Kiran Academy was arranged in college. Total four rounds Aptitude Test, technical Test, group discuss, & technical interview took place in the drive. Total 16 students from final year B.tech 2024 batch from all departments got selected after final round of interview.

### SSWCOE-My College

*Our teachers see that every student attends the classes  
Some useful sessions create awareness among the masses  
Teachers help us develop our will  
In learning interesting soft skills  
There are also mentor sessions*

*With activities that keep us away from depression  
Teachers teach us various tricks,  
For a better way of learning maths and physics.  
Such a helping faculty is rare  
Where every student is treated with equal care*

*My college is way ahead in technology section  
And also in hygiene purposes to avoid viral infection  
My college has bus and hostel facility  
For students who live away from the city  
Besides the things we learnt while we grew*

*Our teachers inspire us to invent something new  
We enjoy graphics practicals a lot  
And also in college trips at the picnic spot  
Students are on cloud nine  
As after two years, lectures are offline*

**Shreya Kabadi - TY CSE (Div-A)**

*Everyone were forced to move out of their comfort zone  
During online lecture on smartphone  
Our teachers give us the best tips  
Regarding placements and internships  
As I stand near the college gate*

*I notice that the college construction is in developing state  
Our teachers teach in a way that all concepts are clear  
We share funny and happy moments with our peers  
For girls, my college is a safer platform  
With necessary regulations and norms*

*There are also activities like poster making  
My college's work for educating girls is ground-breaking.*

## EDITOR'S DESK

**Prof. Pooja Biradar (E&TC Dept.)**

*The editorial board is glad to release this issue of "**Siddhi Newsletter**", This newsletter will serve to reinforce and allow increased awareness, improved interaction and integration among all of us. "Siddhi Newsletter" will be a medium to provide proper acknowledgment and respect to all those who work behind the scenes, overtime round the clock planning things and acquiring results. The newsletter is intended to be published four times in a year. The editorial board accepts suggestions and comments to improve the quality of newsletter. I would like to thank Hon'ble Shri. Dharmraj Kadadi Sir, President - Shri Siddheshwar Devasthan, Solapur & Dr. T. A. Chavan Sir, Principal for their valuable guidance & also to the editorial team for their continued support.*
