- iv) On duty leave will be given during this period.
- v) Each faculty member will be allowed only two times in the academic year based on the performance.

5 (f)	Mechanism for Good Governance
--------------	--------------------------------------

- All stakeholders of the College- parents, alumni, employers, student, faculty and supporting staff involve in academic affairs of the College and put forward their valuable suggestions for good governance.
- Regular meetings are held between: (a) President and BoG members (b) President and CDC members (c) Principal and IQAC members (d) Principal and IIC members (e) Principal and HoDs (f) HoDs and faculty (g) Principal and Student Council (h) Parents meet (i) Alumni meet (j) Mentor (Faculty) & Students to discuss about their problems for solutions and to maintain good academics and healthier work atmosphere in College.
- Various committees are having student's representatives from each class so that student's views can be taken into consideration for betterment.
- The Principal collects class-wise feedback from students to evaluate teaching quality. Based on this feedback, the Principal holds meetings to discuss the findings with the faculty.
- The Principal holds meetings with Heads of Departments to discuss syllabus coverage, result analysis, class tests, and the need for makeup classes to ensure syllabus completion. The Principal also requests HODs to implement remedial measures as needed.
- Under training and placement, we conduct various placement activities to support student career development. These activities include organizing placement drives, coordinating with industry partners, and providing career counseling. Regular workshops, resume-building sessions, and interview preparation efforts to ensure students are well prepared for the job market.
- Various activities including technical and religious functions are celebrated with active participation of staff and students and they are encouraged to put forward their views.

5 (g)	Student Feedback on Institutional Governance / Faculty Performance
--------------	---

- Student's feedback is taken by Principal by considering various parameters twice in a year regarding academic performance of faculty who teach them.
- Feedback data is analyzed considering various parameters, and accordingly briefed to respective subject teachers, if any by Principal/HODs.
- Students-parents-meets are conducted in every semester and discussed to get the feedback.
- Feedback from the students regarding college, hostel and other facilities are also

taken and concerned staff/ committee will solve the problem.

- The institute actively seeks and records feedback from parents during their visits, using a dedicated register to track suggestions and concern. This feedback is carefully reviewed and acted upon, with subsequent changes and outcomes meticulously documented. By maintaining a transparent record of this process, the institute ensures accountability, fosters continuous improvement, and enhances its services to meet the evolving needs of students and parents.
- At every department, suggestion box is provided for students and their suggestions which are get analyzed in every month.
